

10MM PANELS

10MM FRAMELESS SHOWER SCREEN

CIVIC | SHOWER SCREENS
& WARDROBES

Civic's 10mm Shower Screen Panels are a modern solution delivering stylish wet areas. Featuring minimal hardware and 10mm toughened safety glass, these custom-made panels deliver strength, effortless functionality, and an elevated finish. Perfect for a timeless bathroom space.

Key design factors covering:

- Performance • Maintenance • Value • Accessibility
- Durability • Appearance • Safety • Construction

Manufactured to comply with Australian Standards AS1288 and AS2208, Civic 10mm Panels combine precision engineering with premium materials to ensure long-lasting performance and style.

10MM PANELS

10MM FRAMELESS SHOWER SCREEN

10MM TOUGHENED SAFETY GLASS

Constructed from modern 10mm toughened safety glass, Civic 10mm Panels provide elevated strength, clarity, and safety. Designed to create an open feel, they are perfect for creating spacious wet areas without compromising on style.

The frameless design creates an on trend design style suited to both modern and traditional bathrooms. Ideal for:

- Large open entry showers
- Wet area dividers
- Custom bathroom configurations
- Partial room dividers

EXCEPTIONAL VALUE

The 10mm Panel offers premium quality and performance at an affordable price point, making it an enhanced choice for both homeowners and builders.

AUSTRALIAN MADE

Proudly manufactured in Civic's Yatala QLD factory, making it an ideal choice for both homeowners and builders.

FEATURES

- Frameless panel design with no door for a clean, open look
- 10mm toughened safety glass manufactured to Australian Standards
- Custom-made to suit any bathroom layout
- Minimal hardware for a streamlined aesthetic
- Wide range of hardware finishes available

DESIGN FLEXIBILITY

The timeless 10mm Panel Shower Screen is custom made to suit your bathroom layout. With minimal panel hardware, it delivers clean lines and an open, accessible entry, in an effortless design.

INSTALLATION & MAINTENANCE

- Installed by Civic's trained team for a flawless finish.
- Minimal framing reduces dirt build-up, allowing for easier cleaning.
- For best results, clean with a soft cloth and a 50/50 water/vinegar solution (refer to Civic Cleaning Guides).

SAFETY

All Civic shower screens are manufactured to comply with Australian Standards AS1288 and AS2208 for glazing in buildings.

- 10mm toughened safety glass for strength and protection.
- Expert installation ensures a secure, long-lasting product.
