

SLIMLINE DOORS

SLIDING WARDROBE DOOR SYSTEM

CIVIC | SHOWER SCREENS
& WARDROBES

Civic's Slimline Wardrobe Doors deliver a sleek, space-saving solution designed for modern interiors where efficiency and style are equally important. Featuring a compact 57mm track system, they are ideal for narrow rooms, laundries, and spaces requiring maximum usable depth without compromising on design.

Key design factors covering:

- Performance • Maintenance • Value • Ease of Use
- Durability • Appearance • Safety • Construction

Engineered with precision aluminium components and concealed roller technology, Civic's Slimline system delivers smooth, quiet operation and long-term reliability.

SLIMLINE DOORS

SLIDING WARDROBE DOOR SYSTEM

COMPACT DESIGN, FULL PERFORMANCE

The Slimline system is designed to maximise internal space while maintaining structural strength and smooth functionality. A low-profile 57mm track system, concealed rollers, and anti-jump guidance ensure stable, quiet, and controlled door movement suitable for everyday use.

EXCEPTIONAL VALUE

A practical yet refined wardrobe solution offering modern design, durable construction, and reliable performance at an accessible price point.

AUSTRALIAN MADE

Proudly manufactured in Civic's Yatala QLD factory, and installed by our professional team. A complete end-to-end solution ensuring quality, precision, and consistency.

FEATURES

- Slimline 57mm track and jamb system for a compact, modern profile
- Concealed 41mm diameter rollers for smooth, quiet operation
- Anti-jump tracking system for secure panel alignment
- Low-profile, easy-to-clean bottom track design
- Continuous finger grip for strength and ease of use
- Solid bottom rail for durability and stability
- Custom-made to suit a wide range of wardrobe openings
- Suitable for 2-door, 3-door, 4-door, and triple track configurations

DESIGN FLEXIBILITY

Custom made to suit wall-to-wall, freestanding, or corner return installations. Slimline doors are designed for flexibility in tighter spaces and are suitable for a wide range of ceiling heights and layout configurations, making them ideal for renovations and new builds.

INSTALLATION & MAINTENANCE

- Installed by Civic's expert team for a precise fit and smooth operation, even in out-of-square openings.
- The low-profile track system reduces dust build-up and allows for easy cleaning.
- Wipe with a soft cloth and a 50/50 water/vinegar solution (see Civic Cleaning Guides).

SAFETY

Where glass or mirror inserts are used, all Civic Slimline Wardrobe Doors comply with AS1288 and AS2208.

Features include:

- Safety-backed mirror options for added protection
- Anti-jump system for secure panel alignment
- Smooth, controlled sliding operation
- Professionally installed for safe, long-term performance
