

MIRRORMAX SPLASHBACKS CIVIC

SHOWER SCREENS
& WARDROBES

TOUGHENED GLASS SPLASHBACKS

Civic's MirrorMax Toughened Mirror Splashbacks deliver a sleek, modern finish for kitchens, bathrooms, laundries, and commercial interiors. Designed to enhance light and space, they provide a durable, heat-resistant solution that combines style with durability.

Key design factors covering:

- Performance • Maintenance • Value • Ease of Use
- Durability • Appearance • Safety • Construction

Manufactured to Australian Standards AS 1288:2021, AS 2208:2023, and AS/NZS 5601.1, Civic MirrorMax combines heat resistant safety glass with precision fabrication to achieve long lasting performance in high use and heat exposed environments.

MIRRORMAX SPLASHBACKS

TOUGHENED GLASS SPLASHBACKS

TOUGHENED SAFETY MIRRORMAX

The Civic MirrorMax Splashback is ideal for modern interiors requiring a reflective finish with strength and durability. Constructed from toughened safety glass, it provides heat resistance, impact strength, and a seamless architectural appearance.

Its reflective surface enhances light and space, making it suitable for both compact and large interiors across residential and commercial applications.

MirrorMax is produced using an advanced magnetron sputter coating process, creating a durable reflective finish with enhanced clarity and moisture resistance for long-term performance.

EXCEPTIONAL VALUE

Premium mirrored styling with durable, heat-resistant performance at an accessible price point.

FEATURES

- Toughened safety glass with MirrorMax coating
- Heat resistant for kitchen and wet area applications
- Custom made with precision cut-outs for power and fixtures
- Available in Grey, Bronze, Black MirrorMax
- Enhances light and spatial perception
- Durable, non-porous surface resists stains and corrosion
- Designed and manufactured in Australia for lasting quality

DESIGN FLEXIBILITY

MirrorMax splashbacks are custom made for kitchens, bathrooms, laundries, and commercial interiors. Designed to integrate seamlessly with cabinetry, benchtops, and appliances, including full-height feature walls and statement panels.

INSTALLATION & MAINTENANCE

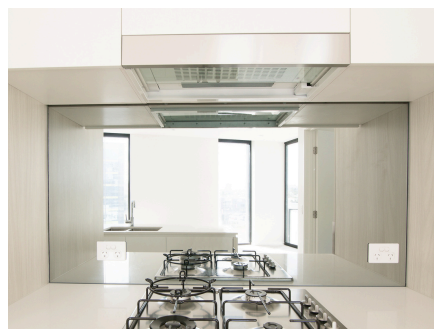

- Professionally installed by Civic's expert team for a precision fit, even on uneven walls or floors.
- Low-maintenance surface resists moisture, staining, and buildup.
- Clean with a soft cloth and a 50/50 water and vinegar solution.
- For more information please refer to our Cleaning Guides.

SAFETY

All Civic MirrorMax Toughened Mirror Splashbacks comply with AS 1288, AS 2208, and AS/NZS 5601.1.

Features include:

- Heat-resistant toughened safety glass
- Cooktop safe when installed to required clearance standards
- Non-corrosive MirrorMax coating for long-term durability
