Mirror Removal – Waiver and Acknowledgment of Risk

Civic Shower Screens and Wardrobes has been instructed to remove an existing mirror and replace it with a new Civic product. While Civic will exercise the utmost care during the removal process, it is important to acknowledge the inherent risks associated with mirror removal due to the fragile and fixed nature of the product.

Acknowledgment of Risks

Due to the nature of mirrors and how they are secured to surfaces, the following risks may arise:

- The mirror may crack, break, or shatter during removal.
- Falling mirror pieces or fragments may cause damage to surrounding areas, including but not limited to vanities, sinks, benchtops, floors, walls, or other fixtures.
- Pre-existing structural or installation issues may increase the likelihood of breakage or associated damage.

Acknowledgment and Acceptance

By signing this form, I acknowledge and accept the following:

- I understand and accept that there is a risk of damage during mirror removal that is beyond Civic's control.
- Civic will not be held responsible for any damage resulting from the mirror removal, including but not limited to damage to vanities, sinks, floors, walls, or other fixtures.
- I indemnify Civic for any costs associated with repairing damages caused during or as a result of the mirror removal.
- I understand that Civic may be unable to complete the installation of the new mirror or product until any required repairs are completed by others.
- Any costs incurred due to delays or incomplete installations will remain the responsibility of the client.

Warranty Disclaimer

Civic Shower Screens and Wardrobes provides no warranty for damage arising from the removal of existing mirrors, including damages to surrounding areas. This waiver does not impact the warranty for the new Civic product being installed, provided it is installed under standard conditions without impediment.
